DECEMBER 12

TVMMX5 Holiday Party

Lake Miona Regional Rec. Center

WE NEED TRIP LEADERS!

How to plan a trip.

1. Review the section of www.tvmmx5.org on running a trip.
2. Choose a destination.
 - a. Animal Sanctuary's are always interesting
 - b. Museums are good too
 - c. Race Tracks can work as well as Go Karting
 - d. Florida State Parks
 - e. Restaurants are always popular, especially when connected to an interesting destination

Talk to any Board member for ideas or contact John Dressler, Trip Coordinator or Mike Remsha, President.

3. Locate the destination on a map ... I use Google Maps.
4. Decide on a Starting Point ... Rec. Centers work out well.
5. Plan a route ... Interstate Highways are okay, but are not fun so we tend to avoid them. Pick back roads with curves and interesting scenery.
6. Pick a Date and Start Time to meet at the Rec. Center.
7. Document the route on paper ... directions with mileage and turns etc. and provide directions on a map if you can.
8. Advertise the Trip on Facebook, at the Membership Meeting and in an email to the membership.
9. Run the Trip.
10. Take photos and provide to Mike Remsha, President ... they will be used at the Membership Meetings and also, placed on our Website ...

After the trip, you will be an experienced and famous Trip Leader, ready to plan your next trip for your Club. You will also be awarded \$25 at the following Membership Meeting for a one day trip and \$50 for an overnight trip.

We need you to run a Trip.

SO JUST DO IT.

If you are interested in a new **Designer Name Tag**, contact Terry Merow (tdmerow@gmail.com) for information. The cost is \$1 and Terry will need a nice color photo of your car. If you like, Terry will take the photo of your car.

The **2024 TVMMX5 Dues** are Due: **\$12 per person**.

Please have a check made out to **The Villages Miata MX-5 Club** and provide to Sarah Jordan at the Membership Meeting or in the mail to
